## EXPERIENCE

### **Congressional Summer Camp — CIT**

July 2023 - August 2023

Led groups of children safely through a variety of camp activities, developing time management skills and patience by balancing multiple tasks simultaneously in a fast-paced environment.

### **Fairlington Community Center Art Camp — Volunteer**

June 2024 - August 2024

I volunteered as a counselor at my local community center's art camp for 8-11 year olds. Helped the kids with projects and gave them instruction in making art they were proud of. Learned valuable lessons in education and patience while working with kids in this environment.

### **Fairlington Community Center Little Explorer Tot Camp — Volunteer**

August 2024

Safely led productive play and helped ensure a welcoming and fun environment for toddlers between 2-5 years old.

## EDUCATION

### **Saint Stephen's Saint Agnes School — High School Diploma**

September 2022 - June 2026

Currently a rising high school senior (highest completed school year so far is junior year). Expected to graduate in the year 2026.

## PROJECTS

### **Capstone Project — Video Game**

Designing, programming, and creating a video game with original code and art made by me as the Capstone Project for the STEM and Fine Arts Certificates offered by my school, which I am on track to get by the end of my senior year.

## SKILLS

Organized, focused, and driven

Artistic and creative.

Communicative and eager to learn and grow.
